AMENDMENT AND RESPONSE

Dear Sir:

In Response to the Office Action dated October 18, 2002 and relating to the above-identified pending patent application, please enter the following amendment and consider the following remarks.

Please amend the application as follows:

In the Claims:

Please cancel claims 68-112, without prejudice.

Remarks

Claims 1-67 are pending in the application, claims 68-112 having been withdrawn from consideration as being directed to a non-elected invention. By the foregoing amendment, Applicants have cancelled claims 68-112. However, Applicants reserve the right to timely file a divisional patent application to such cancelled claims.

Indefiniteness

In paragraph 2 of the Office Action, claims 60-66 have been rejected under 35 USC 112, second paragraph, as being indefinite. It is alleged that these claims are defacto duplicates of claims 1-7. Applicants respectfully traverse the rejection and request reconsideration.
